THE LONG HAUL

All Scarab 165–255 models receive a standard, fully-welded trailer that's built to provide years of confident boating. Its custom-matched construction delivers superior stability while towing and ensures your boat is a perfect fit when loading.

OPEN SERIES

WAKE SPORTS

Spirited acceleration and shallow water accessibility combined with available ballast systems, digital speed control, and wake enhancement tabs for never before seen versatility. Yes, in a big way, we do wake sports!

WAKE WAKE BLAST

Configure your Scarab 195–285 ID with the Wake Edition Package: wake ballast, a wakeboard tower, board racks, digital speed controls, and the Wake Edition graphic—unprecedented wake performance on a jet boat.

DOCK LIKE A PRO

Traditional jet boats are known to be a handful at slow-speed maneuvers and stationary positioning. Scarab and Rotax® teamed up and refined a system that removes and replaces that stress with confident boating. Achieve true neutral, spin 180s, and place the boat exactly where you intend. No more sweaty palms as you approach the dock.

ADJUST ON-THE-FLY

Customizing how your Scarab handles at the dock and on the water is a celebrated luxury. Take control of your fun with a fingertip's grip when establishing true neutral or adjusting ramp speed and throttle control.

LIVE THE EMOTION

Scarab® is all about a feeling. It's where you can step into boats designed for exciting all the senses. It's where instinct is vital, and traditions are shattered. Share the moment and live for the #scarabadvantage...everything else is uncertain.

scarabjetboats.com

COMPONENTS

Our exclusive factory warranty covers material, labor, and most boat components for three years; exceptions apply. Our service experts use state-of-the-art software technology for claim processing; a direct link to the craftsmen that manufacture your boat. *Trailer warranty limited to one year.*

HULL STRUCTURE

A lifetime structural hull or deck warranty applies to the first retail owner. A testimony of hull design and structural engineering makes the warranty transferable to the second owner; limitations apply.

OSMOSIS

A prorated warranty covers osmotic blistering for five years. Our engineered Vinyl Ester barrier coat has the best track record in the industry for minimizing hull blistering—a process of construction that gives you peace of mind.
